BETTER VALUES, BETTER ATTENTION, **BETTER SERVICE EVERY DAY**

The week of September 27th the G. A. R. will be with usthe last time these veterans will ever assemble in Washington. It is well to take a lesson from the men who served through four years of one of the hardest fought wars ever held. The spirit of this store could be called akin to the spirit which won the Civil War. During the past two years busi-

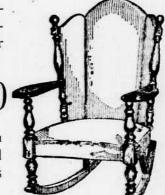

ness all over the country has been very poor, but we have always maintained throughout these two years it would last only a short time. We are now very glad to be able to say that our faith has been more than justified, as the past three weeks of this September Furniture Sale have been greater in volume than any September Furniture Sale we have ever held.

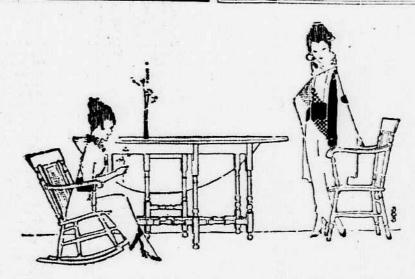

The new velvet stage curtain overdraperies, seat upholstering and carpets at Poll's Theater were furnished by us. We are the only people in the city of Washington able to handle work of this character, as the oraperies, curtain, carpets, etc., all had to be exactly the same color, and had to be dyed and woven at very short notice. As to the success of our work the opinion seems to be unanimous, but we invite you to form your own opinion by a careful study of our work the next time you visit Poli's.
